DAFTAR SUKU CADANG SERTA ALAT KESELAMATAN PELAYARAN
ATAU KESELAMATAN MANUSIA

NO.	KELOMPOK	NAMA BARANG
I	HULL PART	
1	Hull Equipment	• Hatch And Manhole • Mast • Post Rigging • Anchoring And Mooring • Life Saving Equipment And Boat Davit • Awning and Canvas Work • Ladder And Stair Way • Rail • Stanchion And Davit • Skylight And Removeable Plate • Gate Hole • Ramp Door
2	Deck Machinery	• Parts For Windlass • Mooring Winch • Capstan • Boat winch • Steering Gear • Lift • Handling Hoist • Handling Crane • Derrick • Bow Thruster • Hydraulic Pump Unit • Refrigerating Plant
3	Accommodation	• Bulkhead • Lining And Ceilings • Deck Covering • Insulation Door • Side Scuttle And Window • Sanitary Equipment • Commissary Equipment
4	Painting And Cathodic Protection	• Marine Paints • Cathodic Protection • Marine Growth Prevention System • Impress Current Cathodic Protection

MENTERI KEUANGAN
REPUBLIK INDONESIA

5	Ventilation And Air Conditioning	• Shift Air Conditioning System • Mechanical Ventilation • Natural Ventilation
6	Hull Piping System	• Water Ballast System • Ballast Control System • Fuel Oil Filling And Transfer Line • Deck Wash System • Bilge And Scupper • Water Service System • Steam And Exhaust Piping System • Fire Fighting System • Compressed Air System • Voice Tube
7	Navigation Equipment	• Navigation Equipment • Communication Equipment • Flag And Book • Distress Signal • Navigation Light • Magnetic Compass • Gyro Compass • Steering Control • Doppler Sonar • Echo Sounder • Radar System • Radio Direction Finder • Decca Navigator • Loran C Receiver • Central Clock System • Horn Control System • Window Wiper • Anemometer And Anemoscope • Loading Computer
II	MACHINERY PART	
8	Main Propulsion Unit	• Parts And Equipment For Main Eropulsion Diesel • Main Propulsion Steam/Gas Turbine
9	Shafting And Propeller	• Shafting • Breaking • Stern tube • Propeller And Its Accessories • Clutch Ang Gearbox

MENTERI KEUANGAN
REPUBLIK INDONESIA

10	Steam And Generating Plant	• Parts And Equipment For Steam Generating Plant • Fitting And Accessories • Uptake And Funnel • Burner Control
11	Electric Generating Plant	• Parts And Equipments For Main Generator Engine/ Turbine • Auxiliary Generator Engine/ Turbine • Emergency Generator Engine
12	Condensing Equipment	• Parts For Main Condenser • Auxiliary Condenser • Main Condenser Vacuum Pump • Gland Exhaust Fan And Gland Steam Condenser
13	Pumps	• Parts And Equipment For Main Feed Water Pump • Centrifugal Pump • Axial Pump • Rotary Pump • Reciprocating Pump
14	Air Compressor, Reservoir And Fan	• Parts And Equipment For Main/ Auxiliary Starting Air Compressor • Control And Ship Service Air Compressor • Emergency Starting Air Compressor • Air Reservoir • Force Draft Fan • Gland Exhaust Fan • Boiler Hood exhaust Fan • Control Air Dryer
15	Heat Exchanger	• Parts And Equipment For Feed Water Heater • Lubricating Oil Cooler • Drain Cooler • Fuel Oil Heater • Fresh Water Cooler • Distilling Plant • And Other Heat Exchanger Of Machinery's Accessory
16	Machinery Piping System	• Main Auxiliary Steam System • Drain And Condensate System • Feed Water System • Fuel Oil Filling • Transfer And Service System • Lubricating Oil System • Sea Water Service System • Starting Control And Service Air System • Bilge Water System

MENTERI KEUANGAN
REPUBLIC INDONESIA

17	Valve	• Valve For Sea Water • Feed Water • Fuel Oil • Lubricating Oil • Condensate • Fresh Water And Air • Pressure Safety Valve • Pressure Vacuum/Relief Valve
18	Automatic Remote Control And Instrumentation	• Navigation Control • Engine Monitoring System • Cargo Monitoring System • Steam Plant Monitoring System • Miscellaneous Devices • Fire And Gas Detector • Fire Fighting Apparatus • Related Instrumentation And Control
19	Others	• Engine Handling Hoist • Environment Protection Equipment • Heating Coil • Purifier
III	ELECTRIC PART	
20	Lighting Equipment	• Electric Ship Light • Emergency Light • Portable Lamp • Switch • Receptacle And Combination Outlet Box
21	Interior Communication Equipment	• Parts For Common Battery • Automatic Exchange Telephone System • Loudspeaking System • General Alarm • Fire Alarm • Halon/Co2 Alarm • Transceiver System • Engine Order Telegraph • Shaft Revolution And Rudder Angle Indicator

MENTERI KEUANGAN
REPUBLIK INDONESIA

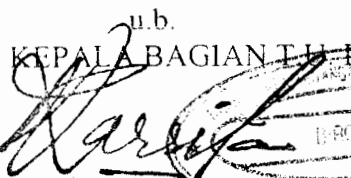

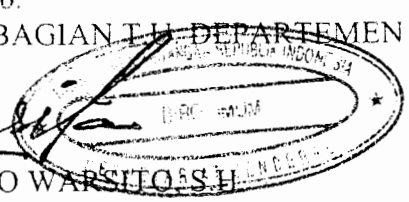

22	Radio Equipment	• Radio Telegraph And Telephone • Lifeboat Portable Radio Equipment • Radio Beacon • Vhr Radio Telephone • Satellite Communication System • Weather Facsimile • Antenna Multicoupler • Ship's Telephone • Broadcasting Radio Receiver • Television Receiver And Antenna • Stereophonic Tape Player
23	Electric Cable And Tools	• Electric Cable And Its Related Accessories • Switchboard • Battery Charging System • Electric Motor And Motor Control • Group Starter Panel • Main Emergency Switchboard
IV	CARGO PART	
24	Cargo Handling Machinery	• Parts For Cargo Handling Machinery, Such As • Cargo Hose • Cargo Pump • Cargo Heater • Cargo Measuring Equipments • Inert gas Generator Plant • Tank Cleaning Equipments • Butter Worth Heater • Self Unloading
25	Cargo Control And Instrumentation	• Cargo Control System • Pressure And Temperature Measurement • Cargo Tank Liquid Level Indicator And Alarm System • Portable Cargo Measurement System

DAFTAR SUKU CADANG DAN PERALATAN UNTUK PERBAIKAN
ATAU PEMELIHARAAN PESAWAT UDARA

NO.	KELOMPOK BARANG	ARTICLE	FSC
1.	Suku Cadang Rangka Pesawat Komponen (pesawat udara dan perlengkapan kursi, brake unit, wheel assy, landing gear, dll.	Airframe Parts, Aircraft component, and related accessories, composite	1560, 1610, 1615, 1620, 1630, 1650, 1680
2.	Ban luar dan dalam pesawat udara (baru dan vulkanisir)	Aircraft New Tires, Retreated Tires and Tubes, Pneumatic of Rubber	2620
3.	Mesin torak pesawat udara dan suku cadangnya.	Aircraft and Gasoline, Reciprocating Engine and Related Parts	2810
4.	Mesin turbin pesawat udara dan suku cadangnya, baling-baling	Aircraft gas turbine, jet engine, and related parts, propeller	2840
5.	Mesin roket pendorong pesawat udara dan suku cadangnya	Rocket Engine and Related Parts	2845, 2846
6.	Mesin bantu pesawat udara dan suku cadangnya	Aircraft auxiliary power unit (APU) and related parts	2840, 6115
7.	Perlengkapan mesin terbang untuk jenis mesin torak, jenis mesin gas turbin, mesin jet, mesin roket dan mesin bantu.	Engine Accessories of Aircraft Reciprocating Engine, Gas Turbine Engine, Jet Engine, Rocket Engine, and Auxiliary Power Unit (APU)	2915, 2925, 2935, 2945, 2950, 2995
8.	Bantalan-bantalan anti gesekan tanpa penopang	Bearing Anti Friction Unmounted	3110
9.	Bantalan-bantalan luncur tanpa penompang	Bearing Plain Unmounted	3120
10.	Bantalan-bantalan dengan penopang	Bearing Unmounted	3130
11.	Alat pendingin dan alat pendingin udara, peralatan pemanas dan peralatan tekanan udara	Refrigerator and Air Conditioning, Heating & Pressuizing Equipment for Aircraft	1660
12.	Kipas, perlatan sirkulasi udara dan peralatan peniup angin untuk pesawat udara	Fans, Air Circular and Blower Equipment for Aircraft	1660
13.	Alat pemadam kebakaran pesawat udara dan perlengkapannya	Fire Fighting Equipment and Related Accessories	4210

MENTERI KEUANGAN
REPUBLIK INDONESIA

14.	Peralatan keamanan dan keselamatan untuk pesawat udara beserta perlengkapannya	Safety and Rescue Equipment and Related Accessories	4220
15.	Peralatan untuk sistem instalasi pipa dan perlengkapannya, rak serbet dispenser, dan katup pembersih bowl	Plumbing Fictures and Accessories Dispenser Towel Rack, Flush Valve, Sink	4510
16.	Peralatan pemanas ruang dan tangki penyimpanan air panas untuk pesawat udara	Space Heating Equipment and Domestic Water Heater Storage Tanks for Aircraft	4520
17.	Pipa dan selang untuk pesawat udara	Pipe and Tube for Aircraft House and Tubing for Aircraft	4710, 4720
18.	Macam-macam sambungan pipa selang yang terbuat dari karet dan metal untuk pesawat udara	Miscellaneous Fitting for House, Pipe and Tube used for Aircraft	4730
19.	Sekrup	Screws	5306
20.	Baut	Bolds	5306
21.	Baut Tanam	Studs	5307
22.	Mur dan Ring	Nuts and Washer	5310
23.	Kunci Paku dan Pasak	Nails, Keys and Ping	5315
24.	Paku Keling	Rivets	5320
25.	Alat-alat Pengencang	Fastening Devices	5325
26.	Material untuk Packing dan Gasket	Packing and Gasket Material	5330
27.	Bermacam-macam Pegas	Cod, Flat and Wire Spring	5360
28.	Ring, Shim and Spacer	Rings, Shims and Spacer	5365
29.	Peralatan Komunikasi Radio dan Televisi, termasuk sistem video entertainment untuk pesawat udara	Radio and Television Communication including Video Entertainment System	5821
30.	Peralatan radio dan navigasi untuk pesawat udara	Radio and Navigation Equipment for Aircraft	5826
31.	Peralatan komunikasi di dalam pesawat udara	Handset, Intercommunication and public address system such as Microphone and Speakers for Air craft	5831, 5965
32.	Peralatan radar untuk Pesawat Terbang	Radar Equipment for Aircraft	5841
33.	Modul-modul elektronik	Electronics Modules	5963
34.	Antena, Tabung Penghantar Gelombang beserta peralatannya	Antennas, Wave Guide and Related Equipment	5985
35.	Konduktor Serat Optik	Fiber Optic Conductors	6015
36.	Kabel Serat Optik	Fibre Optic Cables	6020
37.	Rakitan Kabel Serat Optik	Fibre Optic Cables Assemblies and Harnesses	6020
38.	Peralatan Serat Optik	Fibre Optic Devices	6020
39.	Sambungan Serat Optik	Fibre Optic Interconnect	6060
40.	Perlengkapan Serat Optik dan Suku Cadangannya	Fibre Optic Accessories and Supplies	6070

MENTERI KEUANGAN
REPUBLIK INDONESIA

41.	Perangkat Serat Optik	Fiber Optic Kits and Sets	6080
42.	Motor Listrik	Motors Electrical	6105
43.	Generator, Starter Generator dan suku cadangnya untuk pesawat udara	Generators and Starter Generator, Electrical Parts for Aircraft	2926, 6115
44.	Fuel Cell Power Uni beserta komponen dan perlengkapannya	Fuel Cell Power Unit Component and Accessories	6116
45.	Alat Pengubah Arus Listrik, berputar maupun yang tidak berputar	Electrical Converters, Rotating and Non Rotating	6125, 6130
46.	Baterai Pesawat Udara yang dapat diisi kembali	Batteries, Rechargeable	6140
47.	Lampu-lampu Pesawat Udara, Ballast, Pegangan Lampu, Starter dan Perlengkapannya.	Electrical Vehicular, Light and Fibers, Electrical Portables, Hand Lighting Equipment, Electrical Lamp Ballast, Lamp Holder, Starters and its related Accessories	6220, 6230, 6240, 6250
48.	Alarm Pesawat dan Sistem Signal	Aircraft Alarm and Signal System	6340
49.	Instrumen navigasi di Kokpit	Cockpit Navigational Instrument	6605
50.	Instrumen Pesawat Udara	Flight Instrument	6610
51.	Peralatan Pengontrol Otomatis seperti Komputer Pengendali Pesawat dan Suku Cadangnya.	Automatic Pilot Machine such as Roll, Yaw and Pitch Computer and Aircraft Gyro and Related Parts	6615
52.	Instrumen Mesin	Engineer Instrument	6620
53.	Alat Ukur Instrumen Cairan dan Gas serta Alat Ukur Mekanis	Liquid and Gas Flow, Liquid Level and Mechanical Motion Measuring Instrument.	6680
54.	Instrumen Pengukur dan Pengendali Tekanan, Suhu dan Kelembapan	Pressure, Temperature, Humidity, Measuring and Controlling Instrument	6685
55.	Perlengkapan Kabin, Kursi, Sarung Kursi, Lapos Dinding untuk pesawat udara	Household furnishing, Seat Cover, Wallpaper for Aircraft	7210
56.	Tiray, Krey dan Gordin pada Pesawat Udara	Draperies Awnings and Shades for Aircraft	7230
57.	Peralatan Dapur Pesawat Udara (Pemanas, Pembuata Kopi, Pendingin dan lain-lain) beserta perlengkapan pelayanannya	Food Cooking, Baking and Serving Equipment (Oven, Coffee Maker, Refrigerator, etc) for Aircraft	7310
58.	Kontainer Khusus Pesawat Terbang, Pengikat Kargo dan Peralatannya.	Specialized Shipping, Stroge, Container, Cargo Tie Down and Equipment	8145, 1670
59.	Bermacam-macam bahan Pabrikasi bukan Metal untuk Suku Cadang	Miscellaneous, fabricated, Non Metallic Materials	9390
60.	Batang dan Batang Kecil dan Besar dari Baja	Bars and Rods, Iron and Steel Aluminium	9510
61.	Papan-papan Identifikasi dan Tanda-tanda	Sign, Identifications, Plates	9905

MENTERI KEUANGAN
REPUBLIK INDONESIA

62.	Alat-alat Ukur Presisi untuk Pesawat Udara	Precision and Measuring Tools for Aircraft	5210, 5220
63.	Peralatan Simulasi dan Pendukung Pelatihan Penerbangan, Teknisi dan Awak cabin, beserta Suku Cadangnya.	Training Aids and Operation Training Devices and Related Parts	6910, 6930
64.	Peralatan untuk Perawatan dan Perbaikan Khusus Pesawat Udara	Aircraft maintenance and Repair Shop Specialize Equipment	4920
65.	Peralatan khusus untuk Pengukuran dan Pengetesan Elektronik Pesawat Terbang	Electrical and Electronic Properties Measuring and Testing Instruments	6625
66.	Motor Pembilas	Flush Motor	4630

B6 BOGIE:

2. HAND BRAKE AND BRAKE MECHANISM:

- Rigging
- Hand Brake Lever
- Sand Blaser
- Hand Brake Bellcrank

1. BOGIE ASSEMBLY

- Bogie Kits Bolsterless
- Bogie Casting Component
- Bogie Ancillary Component
- Pipe Transom

2. WHEEL AND AXLE ASSEMBLY:

- Combined/Wheel Set
- Axle
- Drive Gear
- Journal Bearing
- Bearing
- Axle Box

3. JOURNAL BOX AND SPRING ASSEMBLY

4. SWING BOLSTER ASSEMBLY:

- Center Plate Assembly & Center PI
- Upper and Lower Swing Bolster Assembly
- Spring Assembly
- Vertical & Horizontal Oil Damper
- Snubber
- Conical Rubber Bounded
- Pegas Daun
- Rubber Block
- Air Spring
- Disc. Brake
- Brake Pad
- Block Rem
- T-Link
- Colipper
- Shock Absorber & Kit
- Antimonium & Banka Tin
- Pin & Brush
- Kawat Las Roda
- Wear Plate
- Tas Pot
- King Pen
